

## GIVES OUT DIVISION OF STATE'S QUOTA

**Employ Decimal System Worked Out by War Office in Fixing quotas**

## DANVILLE GIVES SURPLUS

**City Won't Be Asked for Further Contribution of Troops for First Army**

## QUOTAS FOR COUNTIES

SPRINGFIELD, Ill., July 23.—Quotas each exemption division and each of the larger cities in Illinois will be expected to furnish for the first national army were announced by Adjutant General Dickson late today. A decimal system worked out by the war department, was employed in fixing the quotas.

In arriving at the figures, the number of national guardsmen and regular army recruits in any particular division or city were deducted from the gross quota.

Applying this method, it was discovered that Danville, in Vermillion county, had furnished eighty six men more than that city's quota, consequently Danville will not be asked for a further contribution at this time, it was announced.

Based upon Illinois' census estimate of more than seven million, the gross quota for the state was fixed at 78,947 by the war department. Deducting 27,304 which represents the number of guardsmen and regular army recruits, there remained 51,643 men needed from Illinois for training at Camp Grant.

Chicago will furnish 24,982 soldiers. The gross quota of the Metropolis was 39,762 but this total was reduced by 14,736 guardsmen and army recruits.

The apparent error in the subtraction is accounted for, General Dickson stated by the fact that the excess of 86 men credited to Danville was proportionally distributed over the state, Chicago being given the benefit of part of the number.

Exemption divisions in Cook county, outside of Chicago will furnish the following quotas: (Number 1, 237; No. 2, 304; No. three, 302; No. four, 365; No. five, 365; No. six, 335; No. 7, 284; No. eight, 328; No. 9, 288.

Cities will furnish quotas as follows:

Quincy ..... 169

## SIXTY PERCENT OF LOAN PAID INTO TREASURY

**Amount Paid Ahead of Time \$15,000,000 Under Billion**

Heavy Payments On Liberty Loan Account Run Up Government's Balance of Cash On Hand June 30 to the Record Figure of \$1,064,086,250.

Washington, July 23.—More than sixty percent of the \$2,000,000,000 liberty loan already has been paid into the treasury. Today's treasury statement, the first issued in twenty four days, shows payments June 30 on the liberty loan account of \$1,385,024,456.

Only twenty percent of the loan, or 400,000,000 was due June 30, the two payments of two and eighteen percent respectively being due June 15 and June 28. The amount thus voluntarily paid into the treasury by subscribers ahead of time totalled but \$15,000,000 under a round billion dollars. Out of the proceeds and other revenues the government had redeemed treasury certificates of indebtedness, issued in anticipation of the loan, amounting to \$626,000,000 June 30. The balance was deposited in federal reserve and National and state banks and trust companies throughout the country in accordance with Secretary McAdoo's plan of distributing the deposits among as many institutions as possible. A total of \$560,662,218 was deposited in banks other than federal reserve banks, June 30. Notwithstanding the enormous withdrawals to meet payments on the loan, more than three sum due, the re-depositing of the funds among banking institutions prevented even a ripple of disturbance in the money markets.

The heavy payments on liberty loan account ran up the government's cash on hand June 30 to the record figure of \$1,064,086,250.

Hundreds of thousands who bought so-called baby bonds, those of \$50 and \$100 denomination, availed themselves of the privilege of paying in full at once. Purchasers of large allotments were required to give two weeks notice of their intention to pay in excess of the department's installment program. In hundreds of instances apparently, purchasers of large allotments also paid in full for their bonds.

## PLAN TO INSURE AMERICA'S FIGHTERS

**Provide Insurance of \$1,000 to \$10,000 at Ordinary Rates**

## U. S. TO PAY EXCESS

**Propose Family Allowances to Dependents, Amount To Depend On Number**

## PAY FOR DISABILITY

WASHINGTON, July 23.—Tentative plans evolved at today's conference of government officials and insurance men provide for the issuance of insurance in amounts from \$1,000 to \$10,000 upon the lives of American sailors and soldiers at ordinary premium rates, with the government paying the excess charge because of the extra risk of military service.

**Propose Family Allowances**  
Family allowances to dependents also are proposed, the amount to depend upon the size of the family. In addition indemnities would be given for total or partial disability. The tentative program provides that the war risk insurance bureau has full charge of administering the plan.

"The plan has not yet assumed definite form," said at statement issued at the treasury late today, "but when it has been worked out in all its fundamentals and details, Secretary McAdoo will present it to the president for his approval and if approved the recommendation will be submitted to congress at an early date for its consideration."

"The whole proposition is based on the fundamental idea that the government should, as a matter of justice and humanity, adequately protect its fighting men on land and sea and their dependent families. It is proposed to impose on the public treasury the obligation of indemnifying justly the men who have entered or are about to enter the American army and navy."

**Government to Give Allowances**  
"Under the plan discussed it is suggested that provision be made for the support of dependents of soldiers and sailors by giving them an allotment of the pay of the men and also an allowance by the government that officers and men be indemnified against death or total or partial disability; that a system of rehabilitation and re-education for disabled men be inaugurated and that the government insure lives of sailors and soldiers on their application at rates of premium based on ordinary risks."

"Dependents of soldiers and sailors in service would be provided for thru allotments from their pay, supplemented by family allowances by the government. The amount of the government allowance would depend upon the size of the family and as to others than the wife and children upon the actual dependent upon the men. The family allowance would be made only if the sailor or soldier makes an allotment for his dependents out of his pay."

"The risk of death of total disability would be compensated somewhat on the analogy of the workmen's compensation acts with the compensation measured by the men's services, the size of the families and the loss to the family. Partial disabilities would be compensated for up a percentage of the compensation for total disability. The cost of this compensation naturally must be paid wholly by the government."

**Plan Re-Education**  
"In working out the new system it is deemed essential that a system of rehabilitation and re-education be established for disabled men that they may be fitted as far as possible for lives of usefulness either in their former or some other vocations."

"In the preparation of the plans to be laid before the president and congress the laws and experiences of other countries have been suggested and useful ideas have been suggested by insurance men. It is hoped to have the plans ready in the near future as it is desirable that the subject be considered during the present session of congress."

## INVITE GOVERNORS TO REVIEW ROOKIE OFFICERS

FORT SNELLING, Minn., July 23.—The governors of North and South Dakota, Iowa, Nebraska and Minnesota were invited today by Brigadier General Sage to visit Fort Snelling August 10 to view the finished products of the first officers camps.

Official word that the second camp for this district would be held here instead of at Fort Riley, Kans., as previously announced, was received by General Sage today. Preparations to take care of the second installment of student officers began at once.

## MARCUS NORTON DIES

Rockford, Ill., July 23.—Marcus Norton, for many years prominent in Illinois Grand Army circles, and clerk of Winnebago county since 1886 died at his home here last night. He was 76 years old.

## WILL MAIL MASTER LIST OF DRAWING TODAY

**Double the District's Quota To Be Called for Examination**

General Crowder Rules That Posting at the Board Headquarters of the List of Men to Appear Constitutes Legal Notification—Applications Swamp Office.

Washington, July 23.—The master list of the drawing last Friday which fixed military liability under the draft will not be ready for distribution to the local exemption boards until tomorrow. It had been hoped to mail it tonight to governors of states for distribution, but a delay resulted from mechanical difficulties in printing.

## Send Two Copies to Boards

The governors will be furnished with two copies for each local board in their states. They will be asked to mail each copy separately to local officials so as to insure delivery. Immediately upon receipt of their lists, each local board will cancel the numbers higher than the top red ink number in its district and then from the remaining numbers enough men to make up double the district's quota will be notified to appear for physical examination.

**Provost Marshal General Crowder** ruled today that posting at the board headquarters of the list of men ordered to appear constitutes legal notification. It therefore is incumbent upon all registered men to learn their red ink numbers at once and to see that the board headquarters is watched when the list is posted. Those ordered up will also be notified by mail, but the period allowed for appearance will count from the posting of the list.

## Ranks of Army Open

The ruling was in connection with an order issued by the war department holding the ranks of the regular army open to registered men for voluntary enlistment up to the time such men have been posted as ordered to appear. The navy department has been notified also that the army makes no claim upon any registered men until that time, so that registration is no bar to enlistment in the army, navy or national guard.

In apportioning draft quotas credit was given for all voluntary enlistments prior to June 30, but there has been no indication whether credits will be given for men coming in since that date. An average of more than 1,000 men a day has been reported by the regular recruiting stations, alone, and counting the National Guard it is probable that the voluntary system has provided close to 50,000 men of the 687,000 called for under the draft act as necessary to fill up the regulars and guard and create the first increment of the national army.

No announcement has been made as to what disposition will be made of this excess of credits but it is entirely likely that in the end every man who enlists voluntarily will reduce by one the quota of his home district.

## Applications Swamp Office

The office of the provost marshal was swamped today with applications for blanks requesting transfer of examination. All who applied were told that no steps in that direction could be taken until the registrant had been called for examination. He then may secure the necessary blanks from the board within whose jurisdiction he is at the time. His physical examination can be transferred and affidavits regarding exemption claims may also be received and considered at a temporary residence.

Every man finally certified for military service, however, will return to the jurisdiction of his home board and go with the troops from his home town.

## AGRICULTURAL EXPERTS APPOINT COMMITTEE

CHICAGO, July 23.—Agricultural experts from more than thirty counties in the state meeting here today appointed an advisory committee to assist the state council of National Defense and discussed farm problems especially those pertaining to the harvesting of this year's crop. According to those present there is an imperative need that experienced farm labor be exempted from the army draft at this time in order that all crops may be harvested. There are 60,000 such laborers in the state it is said, about five per cent of whom are liable for service in the first contingent called.

## REPORT U. S. STEAMER SUNK SUBMARINE

PARIS, July 23.—An American steamer recently sank a large German submarine according to a despatch to the Temps from Havre.

While on a voyage from the United States the steamer was attacked by a submarine, and, replying to its fire sent thirty five shells at the under-water boat, which assumed a perpendicular position and disappeared, beneath the water.

## TAKE NO ACTION.

Chicago, July 23.—Justice Carter was not at his office today and no action was taken on the proposed motion for a writ of supersedeas to stay the execution of "Chicken Joe" Campbell.

## STORM CAUSES HEAVY DAMAGE

LaPorte, Ind., July 23.—A cloud-burst and severe wind storm which swept thru the business section of this city shortly after 2 o'clock this afternoon caused a property damage estimated at more than \$200,000. No persons were killed and none reported seriously injured.

## WILSON ASKS FOR FOOD BILL CHANGE

**Executive Wants Provision For Joint Commission of Congress Stricken**

## WILSON WRITES TO LEVER

**Asserts Retention of the Section Would Signify a "Lack of Confidence in Myself"**

## TO OPPOSE SECTIONS

WASHINGTON, July 23.—President Wilson asked congress today to eliminate from the food control bill as an amendment creating a joint commission of senators and representatives to confer and advise with executive officials of war expenditures. In a letter to Chairman Lever of the house agricultural committee the president pointed out in frank terms that such a commission would be likely to constantly harass those directly responsible for the conduct of the war. Retention of the section, he notified congress would be compelled to interpret as "signifying a lack of confidence in myself."

## Ready to Fight Provision.

Mr. Lever and other house leaders are understood to be ready to make a determined fight against the provision, which was voted into the bill near the close of the long senate debate. The house leaders are also planning to oppose vigorously the senate's provision for a food control board of three members instead of one administrator and there are many indications that in this like-tory they will have the president's unqualified backing.

Mr. Wilson wrote to Representative Lever in response to a letter promising to hasten the food bill thru conference and asking advice on the war committee provision. The president's reply follows:

"I am very much obliged to you for your thoughtful courtesy in stating to me the circumstances for the present action on the food administration bill and I am particularly obliged to you for calling my attention to section 23. I deem it my duty to express my opinion about that section and its effect upon the whole administration of the war very frankly indeed, since the public interest manifestly demands that I should do so.

**Would Make Task Difficult.**  
"Section 23 is not only entirely foreign to the subject matter of the food administration bill in which it is incorporated, but would if enacted into law render my task of conducting the war practically impossible. I cannot believe that those who proposed this section anticipated what would amount to nothing less than an assumption on the part of the legislative body of the executive work of the administration. There is a very ominous precedent in our history which shows how such a supervision would operate. I refer to the committee on the conduct of the war constituted by the congress during the administration of Mr. Lincoln. It was the cause of constant and distressing harassment and rendered Mr. Lincoln's task all but impossible.

"I am not, I beg you to believe in any way questioning what might be the motives or the purpose of the members of such a committee, I am ready to assume that they would wish to co-operate in the most patriotic spirit, but co-operation of that kind is not practicable in the circumstances.

**Administration Responsible.**  
"The responsibility rests upon the administration. There are abundant existing means of investigation and of the effective enforcement of that responsibility. I sincerely hope that upon the re-consideration of this matter both houses of congress will see that my objections rest upon indisputable grounds and that I could only interpret the final adoption of Section 23 as arising from a lack of confidence in myself."

The section objected to by the president was embodied in an amendment introduced by Senator Owen, Democrat, to take the place of a similar proposal by Senator Weeks, Republican. It was adopted by the senate 53 to 32 after a brief debate. Briefly, it would create a committee of five senators and five representatives to ascertain just how contracts were being let and money spent in the conduct of the war and to report to congress whenever it so desired.

The president and executive departments under the provision would be compelled to "keep said committee fully advised as to such expenditures and contracts" and the committee could compel attendance of witnesses in such inquiries as it chose to make.

## TERMS GERMAN SPEECH A PEACE INVITATION

**Sen. Lewis Thinks Teutons Will Accept Peace Without Victory**

Illinois Senator Does Not Believe Speech Was Written by New German Chancellor—Senator King, in a Spirited Reply, Declares it Folly to Discuss Peace

Washington, July 23.—Senator Lewis of Illinois declared in the senate today that he regarded the recent speech of Dr. Michaelis, new German chancellor, as a direct invitation to the United States to use its influence for peace. He said he believed the central powers willing to accept peace without victory and added that he did not believe the new chancellor's speech had been written by the chancellor.

"It is my conviction," the Illinois senator said, "that already influences have been aroused in Germany which will cause great domestic reforms."

## King Makes Spirited Reply

In a spirited reply, Senator King of Utah declared it folly to discuss peace and contended Dr. Michaelis' speech was not susceptible to Senator Lewis' construction.

"It was a tribute to Bethmann-Hollweg," said Senator King, an endorsement of the policy of blood, cruelty, rapacity and wickedness, which has characterized the German prosecution of the war. It endorsed the ruthless submarine policy and boasts of its infamous success. It seems to me that the senator, in a desire to seek peace, has been intent on reading into the speech sentiments never expressed by the German chancellor.

"We're in this fight to win and will not talk peace until Germany wrong and foul crimes she has committed mitted Germany smitten. Let us talk no more of peace, but fight to win this war for democracy and the world."

## Senator Lewis' Reply Brief

Senator Lewis in a brief reply said: "Surely the senator doesn't mean that he is in favor of continuing the war if Germany is willing to make peace on our terms or those of the allies."

Continuing the discussion Senator Phelan of California assailed former Senator Work of that state for published statements that the war is a disgrace and pretense, in the interests of munitions manufacture.

Senator Lewis said that his idea, gained only by a reading of the restored to satisfied to restore the status quo before the war.

## HOLD SECRET SESSION ON COAL PROBLEM

CHICAGO, July 23.—Following an all-day secret session of the joint committee of the state council of defense and the coal operators of Illinois there were indications that a voluntary solution of the coal problem thru a reduction of prices may be made by the operators. Today's session is said to have been given over to a discussion in support of present prices altho it was learned that the operators have under consideration the offer of a plan involving a reduction of \$1 per ton in present prices. All agreements by the joint committee however, must have the sanction of the state council of defense. Operators from seven coal districts in the state are present.

## BRING UP QUESTION OF IMPEACHING FERGUSON

HOUSTON, Tex., July 23.—Speaker F. O. Sulzer of the Texas house of representatives issued a call here today to the members of the house to meet in special session at Austin, August 1st, to consider whether articles of impeachment shall be presented against Governor James E. Ferguson.

This action which is the outgrowth of the so-called "university muddle" is not taken under any specific authority of the Texas constitution or statutes, but upon advice of attorneys that the Governor Sulzer case in New York established a precedent that will hold in Texas.

## PREPARE FOR SECOND LOAN

Washington, July 23.—In preparation for a second liberty loan campaign in the fall, the woman's liberty loan committee today announced a partial re-organization and plans to "bring home to every woman the financial advantages and patriotic duty of investment in government bonds." State chairmen have been appointed in 33 states. Among them are: Illinois, Mrs. Kellogg Fairbank, Chicago; Iowa, Mrs. Willbur Marsh, Waterloo.

## NAMES STRONG A COLONEL

Springfield, Ill., July 23.—Lieut. Col. Gordon Strong of the First Illinois Engineers, Chicago, was appointed Colonel of the new third Illinois Artillery by Adjutant General Dickson today.

## WEATHER INDICATIONS AND TEMPERATURE

Illinois! Partly cloudy Tuesday. Probably local showers in south portion; Wednesday generally fair and warmer.

**Temperatures**  
The current, maximum and minimum temperatures as recorded Monday were:

Jacksonville ..... 74 89 67

San Francisco ..... 68 68 56

## KERENSKY VIRTUAL RUSSIAN DICTATOR

**Premier has Tremendous Task Pulling Down Disaffection of Troops**

## HAS UNLIMITED POWERS

**Kerensky On Way to Galicia to Use All His Power to Make Troops Face Enemy**

## KEEPING UP ASSAULT

Alexander F. Kerensky, the man of the hour in Russia—the man who early in July started the brilliant offensive against the Germans and Austro-Hungarians in Galicia which gave the Russians notable gains—has been made virtual dictator in Russia and given the tremendous task of pulling down the disaffection of the troops which as resulted in a retreat along the front in Galicia and otherwise to end the anomalous situation that prevails in Russia.

## Confers Unlimited Powers.

By an almost unanimous vote of the Council of Workmen's and soldiers' delegates and the peasant congress, realizing that a man of ability of the highest order was required at the present juncture to strengthen the morale of the Russian troops, has given "unlimited powers" to M. Kerensky and his government and he already is on his way to Galicia, where he soon may be expected to use all the force at his command against the recalcitrant troops and again bring them face to face with the foe.

The situation both in east Galicia and to the north of the Pripiet marshes for the moment is proving disconcerting to the Russian government. Added to the struggle is the fact that the deserters in Galicia who are still falling back nearly everywhere, comes the news that lack of stability among the men fighting against the Germans in the region of Smorgan and Krevo, south-east of Vilna, is giving the Russian government and military command great cause for concern. In a fierce attack against Smorgan and Krevo the Russians drove a wedge into the German line to a depth of two miles at various places and took more than 1,000 prisoners.

## Place Success in Jeopardy.

The Petrograd war office communication announces, however, that the lack of morale of certain detachments of the Russians is placing the success in jeopardy, while the latest Berlin official communication, which admits that gains were made asserts that already most of the captured positions have been retaken. Taking advantage of the chaos that reigns the Germans and Austro-Hungarians are keeping up their intensive push against the Russians all along the front in Galicia. The Germans are directly in front of Tarnopol if they have not already captured this important pivot point, which the Russians have held since early in the war and also are advancing on both sides of the Dniester river and between the Stripa and Zlota Lipa, where they have occupied additional villages.

## Case Infantry Attacks

The Germans apparently have ceased for the time being at least their fierce infantry onslaughts against the French along the Chemin-des-Dames in France, which have cost them dearly in men killed, wounded or taken prisoner when compared with the extremely small amount of ground they gained. The latest French official communication announces that Monday saw no infantry action in this region, altho about Heribes and Croanne, particularly on the Calonne plateau the Germans continued their violent bombardments of the French positions. Near Cerny the French themselves took the initiative in a small operation and gained ground and captured men of the army of the German crown prince. The Canadians have taken another hack at the German line protecting the coal fields south of Lens and again have appreciably advanced their line. Altho the British communication does not give the extent of the success, merely announcing that the troops reached their objective with slight losses, the Associated Press correspondent with the British forces says the Canadians forced their way to the second line of German defenses along a front of 700 yards and bombed and destroyed positions and took prisoners.

On the other fronts there has been little notable activity altho further successes have been gained by the British against the Germans in East Africa and the Turks in Palestine.

## A PERSONAL TOUCH.

In this country most of us object to government paternalism and have the feeling that such a principle is at variance with the ideas on which this republic is founded. But it is very easy to get away from this idea when we consider some war developments and all of us can approve the proposal to establish a new division in the army purposing to furnish the relatives at home news of American soldiers serving in France. The purpose of this department will be to compile all sorts of information in regard to the officers and enlisted men on duty and then to transmit this information to relatives who inquire. All this is humane and helpful and all of us appreciate this kind of personal interest on the part of the government. As the war progresses the close relationship in this country between the government and the people, and before the war is over we may recognize that a true republic is one great family.

## THE COAL CONFERENCE.

Coal operators and members of the state council of defense are having conferences this week in the endeavor to reach some satisfactory price basis. The operators will present figures on costs and the government will be shown that at present prices they are receiving good profit but nothing excessive, when the facts of war times are taken into consideration.

Since a number of coal operators are members of the sub-committee of the national council of defense, and since the senate has suggested a \$2 minimum price for wheat, it is not worth while to expect much of a cut in the price of coal in this state. The senate price on wheat as fixed with a view to increasing production and no doubt something of the same idea will rule with reference to coal.

If the Washington precedent is followed a coal price will be fixed which will make the operators a profit of such size that it will stimulate production of coal. Let us hope that the week will show some lower prices as the result of these conferences, but to expect a big reduction is well-nigh hopeless.

## IN ENGLAND AND GERMANY.

The reading public of the U. S. has been as much or more interested in Lloyd-George's analysis of the new German chancellor's speech as they were in the speech itself. The Eng-

lish premier has with unrelenting hand shown how full of shame the Michaelis address was—how it was framed in an effort to adapt it to the varying conditions in Germany and to make it compatible with subsequent events, no matter what they are. But the American people take even greater interest in the Lloyd-George statement that the loss of British shipping in the past month has not been nearly as great as in the three months preceding, and the further statement that agriculture and food conditions in England have improved materially. If enough food-stuffs can be forwarded to England to care for the population for four or five months, these supplies with those on hand guarantee food for a year. Production has been greatly stimulated and for the following year it will probably be unnecessary to import even as large supplies as this year.

As a whole the Lloyd-George statement is of an encouraging kind. But it might be well to consider in this same connection an article which appears in the current issue of the Independent, summarizing the marvelous agricultural system in Germany. The efficiency which existed before the war has been developed further in the last three years. The result has been to increase production in a remarkable degree. This applies not only to farm products but to farm animals as well. The writer mentions that in six months' time the production of hogs increased 800,000, and that 50,000 hogs were fattened on the garbage from one army division. These are but items showing what Germany has done and is doing. The government system of agriculture contemplates rotation of crops, soil fertility and the raising of those crops most needed by the government. So comprehensive is the system that in every county of the whole empire there are representatives of the government who confer with the farmers, direct the kind of crops to be planted and assist in solving questions of fertility. It is the farm adviser system intensified and with the advisor acting under the full authority of the government. So while England and her allies have food, there is no use deluding ourselves with the thought that Germany is about to be starved out. The marvelous resourcefulness of the German nation and the German is far from exhausted.

## MILESTONES IN HISTORY.

A current business review quotes the following significant paragraphs. Sir Gilbert Parker, in an article in the New York Herald, asks if the world stops to think what would have happened if Joffre had not succeeded at the Battle of the Marne. "If the Germans," he says, "had got to Paris, they would have got to Calais; they would have got to Petrograd. Italy would not have entered the war; the Balkans would have been under the heel of Germany and Austria, and the road to Bagdad would have been open to Germany." Emperor William had his eye on Eastern empire, Turkey, Asia, Persia; control of the Eastern Mediterranean. He has been stopped in all that; he will never get to Bagdad now. He had his eyes on Bagdad, Petrograd, London, Paris and New York.

"He will get none of these because, above everything else, 110 millions of people who have never been beaten in war have entered this conflict. I mean the American people."

Our people have not yet learned the terrible lessons of war or begun faintly to realize what war, had enough when conducted under the rules of international law, becomes when carried on against a brutal, murderous foe, which has resurrected the terrible frightfulness of the savage centuries. The English have learned these lessons and seen the terrible sights, violations, mutilations, murders inflicted by a conscienceless enemy. Sir Gilbert Parker refers to these, and concludes: "The man who brought about this war will never be punished adequately—and no torture of the imagination would be sufficient for his punishment."

"The people who brought it about will pay a terrible price. 'They have paid it! 'They will continue to pay it! 'But the price that they pay, guilty, is as nothing to what the Allies pay, innocent. You people of America would not be in this war if you believed the Allies were guilty. You are in this war because you have seen that Prussian militarism is a menace to the well-being of the world and the freedom of all people."

Rippling Rhymes  
By WALT MASON

## WANT IN GERMANY

The crops have failed in Germany, and famine stalks the land; the wheat is poor and verminy, the sugar's full of sand. The drought did more than Wilson or our armaments could do, and e'en the noted Pilsener is but a sickly brew. The Kaiser, in his vanity, swore war full soon would cease; the foe, regaining sanity, would come to him for peace. Oh, hungry folk of Germany, what of your Kaiser's vow? Art ready to determine he has dealt you bunk now? Whose heartstrings ache and quiver worst—your heartstrings or the foe's? Your children cry for liverwort, smears and things like those. The little kids are clamoring, their faces wet with brine, and still the foe is hammering at Hindenburg, his line. Red Bill, profane sermon, of God must ever prate, and God has blasted Germany more than the British hate. And while Red Bill is blithering of backing from on high, the country's crops were withering beneath a burning sky. Oh, hungry folk, we sigh for you, as we go forth to kill; Oh, starving kids, we cry for you, while swatting Kaiser Bill.

## THIS DATE IN HISTORY

July 24, 1836—A mob destroyed the printing press of Elijah P. Lovejoy, an abolitionist editor at Alton.

ILLINOIS COLLEGE TRUSTEES  
URGE SUPPORT FOR  
BOND ISSUE

Illinois College is one of the innocent holders of delinquent city bonds. The endowment fund of the college is thus affected and for this reason a committee representing the board of trustees recently sent to every local alumnus of the college a letter urging support of the proposed bond issue today. This committee included Thomas Worthington, W. G. Goebel, H. M. Capps, and William T. Wilson and their letter was based on an investigation of the city records.

Their appeal to the alumni was in the main as follows:

## The Bond Issue

To the Alumni, Former Students and Friends of Illinois College:— "The signers of this statement are a committee appointed by the trustees of Illinois College to investigate and if proper to support the proposed City bond issue to pay delinquent bonds. The College is interested because it holds as a part of its endowment funds about \$5,000.00 of said bonds.

We have examined the report of the City's affairs made by the Auditor and Bond Company of America in 1916, and from its statements we are satisfied that about the sum of \$23,000 will be required to meet the deficit due on improvement bonds issued by the City, with in-

terest. This deficit embraced not only the Morrissey defalcation of \$49,939.23 (which sum includes interest to Jan. 2nd, 1911), but losses of interest, clerical errors, the City's portion of special assessments, making a total of over \$60,000.00 as of Jan. 2, 1911.

"While Mr. Morrissey's bondsmen paid \$30,000.00 on this deficit and other sums have since been paid by the city, yet interest was running on the bonds and is sufficient to account for the sum still unpaid.

"We understand that one of the best law firms of Chicago has given an opinion that the bonds are collectable by law. But we do not wish to consider this aspect of the case, for the College hopes that it may not be compelled to bring suit against the City in which it is located, and with those interests in has so much in common. We prefer to present the moral and financial reason which in our opinion should induce all upright citizens to support the bond issue."

Thos. Worthington,  
Chairman.  
W. G. Goebel,  
Harry M. Capps,  
Wm. T. Wilson,  
Committee.

MORGAN COUNTY'S FIRST  
MAN ON DRAFT LIST

Donald Henderson whose Number is 258 is Well Known Young Man of Concord Precinct.

Donald W. Henderson of Concord precinct had No. 258 in the Morgan county registry and his was the first number drawn in the great national lottery by Secretary of War Baker. This young man was born in Chapin October 11, 1894, and is the son of S. M. and Mrs. Henderson, of the Concord neighborhood. He was raised up on the Henderson farm and attended the country school. Last spring he was employed by Fred Major near Eureka, in Woodford county, to work on the farm.

He has served Mr. Major very acceptably so far, and if he is accepted as a soldier will be found just as ready for duty. He wanted his horse and buggy for use this summer so he drove through to Eureka (135 miles) last March, making the trip in good time without mishap of any kind. Young Henderson is a member of the Concord Christian church, and has the high regard of a large number of friends. He will soon be home for examination.

BIG CARNIVAL OPENS AT  
CHEYENNE

Cheyenne, Wyo., July 23—Frontier Days celebration week opened today with Cheyenne in carnival array and prepared to entertain the largest crowds in her history. The preparations for the carnival this year have been made on an unusually elaborate scale, since the occasion marks the fiftieth anniversary of the settlement of Cheyenne. The semi-centennial exercises were held today, with the first events on the program of the Frontier Days celebration to be held tomorrow. Crowds are coming in from Denver and the east and strangers line the street for blocks. Thousands of people are guests of the city already and every arriving train is crowded to its utmost capacity.

Many cowboys are in the city from all parts of Wyoming and the neighboring states, and they, with the Indians in their red and yellow blankets, are attracting much attention from the tourists.

The celebration of Cheyenne's golden anniversary today embraced a magnificent pageant illustrating the development of the city from railroad camp and cowboy headquarters to the metropolis of the state—a half century of activity, settlement and growth unequalled by any other frontier town.

## PUBLIC OFFICIAL ACCUSED

Sacramento, Cal., July 23—Hugh Bradford, district attorney of this city, was arraigned for trial today under an indictment charging him with willful misconduct in not closing up eighteen houses of ill-repute, as provided for in the Redlight Abatement Act. The indictment found by the grand jury that, upon due hearing of the accusation, he be removed from his office as district attorney.

Mr. and Mrs. Edward Graubner of Decatur spent Sunday at the home of Mr. and Mrs. John Sawyer of Peoria.

## SOLD BUTCHER STOCK.

W. F. Rexroat on Monday sold to Robert Smith forty head of butcher stock for his market. The lot was composed of cows and heifers.

Mr. and Mrs. Clifton Corrington of the Arnold neighborhood, had as their guests Sunday Mr. and Mrs. C. W. Small and daughter, Louise.

## AT LAKE MATANZAS

Fred B. Hopper, Ralph W. Hutchison and Howard Wood with their families, are spending the week at Lake Matanzas in San Souci cottage.

## ADMINISTRATOR'S NOTICE

Estate of John T. Hickman, Deceased.

The undersigned, having been appointed Administratrix of the estate of John T. Hickman late of the County of Morgan and State of Illinois, hereby gives notice that she will appear before the County Court of Morgan County, at the Court House in Jacksonville, at the September term, on the first Monday in September next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make immediate payment to the undersigned. Dated this fourteenth day of July A. D. 1917.

KATIE BROWN, Administratrix.  
WALTER W. WRIGHT, Solicitor.

REVIVAL MEETINGS  
AT ALEXANDER CHURCH

The Rev. O. E. Johnson, Methodist Pastor, is Conducting Series—Alexander News Notes

Alexander, Ill., July 23—A series of meetings which gives every promise of being successful was begun at Alexander M. E. church Sunday evening. Monday, night interest continued good, the minister giving a strong address to an audience of good size. The Rev. W. E. Keenan, pastor of Franklin circuit, will be present to assist a portion of the time. Arrangements have also been made for special music and all who attend will find the meetings full of profit.

## Personal Mention

Mr. and Mrs. A. J. Johnson have gone to Chicago for a visit with Mr. and Mrs. Leslie McPherson, of Highland Park.

Mr. and Mrs. Noel Wiley and daughter Minnie, went to Berdan and Carrollton in their Ford car and spent Saturday and Sunday with friends.

Henry Young and family have as their guests Miss Cora Kelley of the state of Washington, Mrs. Howard O'Brien of Bloomington, Mr. and Mrs. George Downs of Haden, Ariz.

Mrs. G. W. Foster and son, Walter Oddy, went to Murrayville Sunday and spent the day with Mr. and Mrs. Albert Jackson.

Miss Althea Hall was a Springfield visitor Sunday. F. J. Kaiser and C. M. Strawn went to Springfield Sunday to attend a good roads meeting.

Mr. and Mrs. James Roy Van Pelt, spent Sunday in Griggsville. Mr. and Mrs. Luther Wiley had as their guests Sunday Mrs. Elizabeth Slaughter of Jacksonville and Mrs. J. T. Mutch of Murrayville.

H. C. KENNEY DIED AT  
CARROLLTON SUNDAY

Deceased Has Long been Prominent Citizen There—Survived by Wife and Daughter, Mrs. G. H. Kopperl of This City.

H. C. Kenney died Sunday night at his home in Carrollton, after a somewhat extended illness. Mr. Kenney who was seventy-two years of age, had been a resident of Carrollton for forty years and ranked as one of the best known citizens of the community. He was born in Palmyra, Mo., and spent his young manhood in Pike county. He had the unusual record of having enlisted at the age of fifteen years as a drummer boy in the War of the Rebellion and saw active service thru several years. Tho Mr. Kenney's life was spent in counties adjacent to this his grandparents, Mr. and Mrs. Robert Greer, who came from Edinburgh, Scotland, were for years located at Lynnville. They came to that Morgan county village in the early year of 1831. Mr. Kenney was a man whose strength of character and sterling qualities gave him a large influence in the business and social life of his community. His death will be greatly regretted not only in Carrollton, but in the surrounding country, where he was so well and favorably known.

Mr. Kenney is survived by his wife and one daughter, Mrs. G. H. Kopperl of this city.

## HEARING ON CHILD LABOR LAW

Washington, D. C., July 23—Regulations for carrying out the provisions of the Federal child labor law have been drafted in tentative form, and a hearing at which producers, manufacturers, and others interested have been invited to discuss them will be held tomorrow in the office of the Assistant Secretary of Labor in this city. The regulations are concerned with proof of age, the conditions under which State employment certificates will be accepted by the federal authorities, the form of the procedure guaranty by which a dealer can protect himself from prosecution, and other details of administration.

The child labor law becomes effective on September 1 next, and it fixes on establishments whose products are shipped in interstate commerce the following restrictions: No child under 16 years of age can legally be employed in any mine or quarry at any time; no child under 14 can be employed at any time and no child under 16 more than eight hours in any work-day, more than six days in any week, or before 6 a. m. or after 7 p. m. in any mill, cannery, workshop, factory or manufacturing establishment.

## CARDINAL GIBBONS FOUR-

SCORE AND THREE Baltimore, Md., July 23—In the enjoyment of his usual good health, Cardinal Gibbons, who is generally recognized as the foremost American prelate of the Roman Catholic Church, is quietly celebrating his eighty-third birthday anniversary today. Few of those who casually meet his Eminence realize that he is well past the four-score mark. His vitality has caused expressions of amazement many times and this vigor is attributed to his systematic method of living. Every hour of the day is regulated. His food is light but substantial and he takes his meals at regular hours. Almost every day he has a walk for an hour or more.

That the Cardinal is held high in the esteem, not only of the Catholic clergy and laity but also those of other denominations, is shown by the many congratulatory messages which are being received at the archiepiscopal residence. They express the hope that he will live to see many more celebrations of his birthday anniversary.

George Brown of Bloomington, C. & A. conductor, has resumed the Jacksonville-St. Louis run after a period of illness. He will later be succeeded by R. H. Pison and will return to Bloomington to take charge of a local.

## MORTUARY

## Morrissey

Mrs. Anna J. Morrissey, wife of John Morrissey, passed away at her home in Billings, Mont. Thursday, July 19, according to word received in Jacksonville where Mrs. Morrissey had made her home until about five years ago. Mrs. Morrissey, whose maiden name was Miss Anna Sheehan, was born in Quincy and spent her early life in that city. In addition to the husband, one sister, Mrs. Kate Pratt and a daughter, Mrs. Margaret Morrissey, survive, as does a brother, B. M. Sheehan of Billings.

Funeral services were held from St. Patrick's Catholic church at Billings and burial was made in the Catholic cemetery there.

## Means

Joseph Means, a prosperous and well known farmer of Sinclair precinct died yesterday morning at 11:25 a.m.

Mr. Means was born in Clinton county, Kentucky, May 5, 1862 and lived there until eighteen years of age when he removed to this county and Sinclair precinct has since been his home.

June 30, 1887 he was married to Miss Jennie S. Smith who survives him, as does also the following children, Lester H. of Prentice; Lee, Lawrence, Lilly, Thomas, Clarence, Eddie, Albert, Henrietta and Gladys, at home. He is also survived by a brother Henry of Prentice and a sister, Mrs. Harvey Harber of Jacksonville and two others in Kentucky.

He was a member of the Modern Woodmen, a successful farmer, kind in his family, a good neighbor and an honorable man.

The funeral will be held Wednesday at 10 a. m. at Hebron with burial in Yatesville cemetery.

## Fozzard

William S. Fozzard died at a local hospital Sunday night at 11:50 o'clock, after a long illness. Mr. Fozzard was born March 5, 1849, two miles east of Arenzville, the son of Thomas and Mary Fozzard.

He was married to Miss Anna Charlesworth in 1879 and to this union one son was born, Howard Fozzard, at home. Mr. Fozzard leaves two brothers, Thomas B. Fozzard of this city and J. L. Fozzard of Lincoln, Neb. A sister, Mrs. Mary Carpenter, resides in Butler county, Neb. A half brother, Edward, lives in Illinois.

ward Fozzard, died a number of years ago.

The body was taken to the parlors of Williamson & Cody and prepared for burial. Funeral services will be held Wednesday afternoon at 2 o'clock and the burial will be made in the family lot in Union cemetery.

## FUNERALS

## Bibb

Funeral services for William W. Bibb were held from the residence of Edward M. Dunlap 257 Finley street Sunday afternoon at 3 o'clock in charge of the Rev. R. B. Wilson, pastor of State Street Presbyterian church. Music was furnished by Mr. and Mrs. Percy Jenkins, Miss Ainslee Moore and William Day. The flowers were cared for by Misses Alice Ross and Mabel Reid. Burial was in Diamond Grove cemetery the bearers being A. D. Arnold, Daniel Moy, John W. Clary, Herman Weber, F. L. Sharpe and E. P. Alexander.

## WITH THE SICK

Floyd Watt, of Co. B, is at Passavant hospital recovering from an operation he underwent Saturday morning. This is Mr. Watt's second operation in the past two months, having but recently recovered from an appendicitis attack.

## PICNIC AT PARK.

Mr. and Mrs. George Rafferty, R. L. Davis and family, Norman L. Davis and family, Mrs. Anna Edwards and children, Earl Lorton and family and Miss Mary Beane of White Hall motored to Jacksonville Sunday and enjoyed a picnic at Nichols park.

## SUNDAY CARS EARLIER

The Jacksonville street cars will hereafter leave the square at 6:30 o'clock, instead of 6:45 o'clock as at one time. The change was made for the accommodation of members of the Church of Our Savior, where the first service is now held at 7 o'clock.

Mrs. Edith Dunlap, Miss Laura Hammond and Miss Eva Hammond have returned from New York City, where they completed courses in Columbia university. Miss Eva Hammond will go the first of September to Springfield, Mass., where she has an art supervisorship in the schools.

Mrs. Elizabeth Johnson much enjoyed a visit with the family of Mrs. Coultas near Markham Sunday. During the day a long auto ride was taken during which they visited Beardstown and several other places. Mrs. George Wilson of Quincy visited the latter part of the last week with her brother, William Hall of this city, and Sunday was joined by her husband and both proceeded to Lake Matanzas for an outing. Mrs. James Odell and two children have returned to their home in Chicago after a pleasant visit with Mrs. Odell's parents, Mr. and Mrs. J. A. Smith on Freedman street. Mrs. Smith went along for a visit in Chicago. Mrs. E. M. Pires and daughter, Miss Inez, expected to start today for a visit with Mrs. Pires' son, Rev. E. C. Pires and family of Fostoria, Ohio. On the return Miss Inez expects to stop off for a few weeks' study in Chicago. G. B. Hawkins, wife and daughter Maxine are here from Mt. Vernon for a visit with Dr. Crouch and wife, who is a sister of Mr. Hawkins. Mrs. Crouch is seriously ill and her relatives are here on that account. Harold McGinnis has received notice of his acceptance for service in the army and will leave soon for Chicago to take up work as a stenographer in the quartermaster's division. Mr. McGinnis took examination for the place at Springfield several weeks ago. Miss Thesael Webster of Virginia will succeed Mr.

### Y. M. C. A. NOTES.

A camp meeting of the boys who will go on the Y. M. C. A. camping trip was held at the Y. M. C. A. Monday evening with a good attendance. Fourteen boys have signed up and three more are planning to go, making a total of seventeen. The party will be limited to 20 members and it is expected that the three vacancies will be filled this week. All of those who are going must bring the vegetables they intend to take to the Association building, Monday, July 20. The party will leave on the C. P. & St. L. for Lake Matanzas Wednesday morning, August 1st, at 7:49 o'clock. Another meeting will be held next Monday evening at the association rooms when squads will be

## What Do You Know About Your Blood Supply?

Your ignorance may startle you.

Few people know of the many functions of the blood supply, and just how important it is that it be kept absolutely free from all impurities. The health of the entire body depends upon the condition of the blood. You are invited to write and obtain a booklet that gives you some invaluable information on this im-

portant subject. It tells how to keep the blood strong and free from the many impurities to which it is constantly subject. It gives the history of S. S. S., the world's most successful blood remedy, which has been sold for more than fifty years by druggists everywhere. This book will be sent free to all who write to Swift Specific Co., Dept. A Atlanta, Ga.

formed and other details perfected.

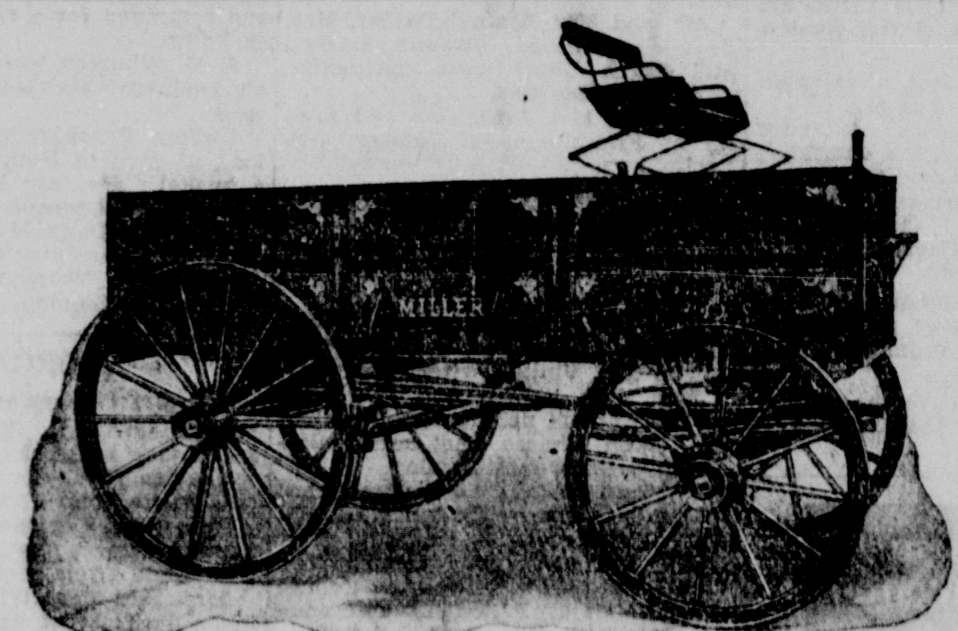

A meeting of representatives of the various young peoples societies of the churches of the city will be held at the Y. M. C. A. this evening. The meeting is called for a rehearsal

of the music for the opening vesper services which will be conducted at the chautauqua by the societies. It is proposed to have a chorus of fifty voices to furnish music for the services.

## A Tight Wagon Bed and a Good Wagon

At the present price on all grain will more than pay for itself this year. You need them and should be prepared. We are prepared and it is our pleasure to serve you.

**A SQUARE DEAL TO ALL  
NO PROMISE MADE THAT IS NOT FULFILLED**

**GEARS**—All oak and hickory, bone dry, all parts soaked in boiling oil before ironing, painted by hand three coats oil and lead, 1 coat A No. 1 varnish. Axles trussed and well braced. Bolt plates 2 inches longer than other makes, making bolster stand up better. All irons full thickness, well bolted or riveted on.

**WHEELS**—Bone dry oak. Solid one-piece oak hub, "the best hub made." Spokes A No 1 white oak, none better. All wheels soaked in boiling oil before ironing. Tires are put on hot, the only correct method. If it was possible to make a better wheel Miller Wagons would have them.

**BEDS**—Strictly first class, bone dry southern poplar sides, 7-8 inch thick full. Extra heavy ironing, 5 hard wood sills, double bottom overbolts bolsters. Bottom best grade long leaf southern pine, tongue and grooved. Metal grain cleats. Positively grain tight. Extra well painted, old fashioned system brushed on best oil and lead.

No matter what you pay, you cannot buy a better wagon. In use all over the west. Made of bone dry stock, the lightest running wagon on the market. First wagon built in 1867, and built just the same ever since. The biggest value known in a wagon. Come in and we will show you.

## RUSSIAN PEASANTS WILL NOT PART WITH WHEAT

Is Greatest Difficulty of the Food Situation, According to Russian Minister of Supply—Population Has Lost Faith in Money

Petrograd, July.—(Correspondence).—How Russia to induce its peasant farmers to part with their precious stocks of wheat? This is the question which is wringing the brow of the Minister of Supply, M. Peshekonoff. Discussing the subject before the All-Russian Congress of Workmen and Soldiers Delegates, he said:

"The greatest difficulty of the food situation just now is that the peasants refuse to give up their wheat. In the old days, wheat was to be had in exchange for money. But now money is cheap, and there is little to be got for it. The peasant is therefore, extremely unwilling to exchange his wheat for more money. The peasant population has lost faith in money and stocks to the one thing he has in his hands."

"There are plenty of things which the peasant needs more than he needs his wheat, but unless you can make those things available to him in his markets you won't be able to get his wheat. The forcible seizure of wheat from many millions of peasants is impossible. Yet something must be done to prevent starvation in our cities. If starvation should come to Petrograd, no power on earth could prevent the collapse of whatever Government happens to be in power."

The task before the Ministry of Supply, then, is to secure for the peasants supplies of manufactures and wares which they need. It is getting back to first principles of barter, the lack of raw materials and the disorganization of industry. Meanwhile the peasants are hiding their wheat in caches so unsuitable that serious loss is certain to result."

## SHOULD ABOLISH DEANS.

London, July.—Some of the Church of England, or rather of the Catholics of England, are luxuries and should be abolished, in the opinion of the Right Reverend Arthur E. W. Ingram, Bishop of London, who declared that the three hundred and fifty thousand dollars spent yearly on deans was a waste of money. "It is with no disrespect that I say it," he declared, "but I believe that the whole idea of a dean is a thing of the past. Whatever in his see, is an unbecoming thing. In some cathedrals a Bishop can even approach without the leave of the dean and chapter. There are excellent men among them but the money spent yearly is more needed for the bishops for the new dioceses which are required."

## GERMANS EXPELLED FROM SWEDEN

Stockholm, July.—Three Germans, one of them a captain of marines, have just been expelled from Sweden for espionage which unquestionably resulted in the sinking of many ships. Their seat of operations was Gothenburg, and their reports appear to have been made through Copenhagen. One posed as a merchant, the second as a teacher of languages and the third, who was the leader, as a wholesale merchant. Waise, the last named, carried on his operations for more than two years before his activities were ended by a traveler who recognized him as a German officer and informed the police. Waise got word of what was coming and got away to Copenhagen before the police visited him.

There is no reason to believe that the "spy central" in Gothenburg has been broken up by the removal of these three men.

## —YOUNGBLOOD—

David and Jonas Wilson were Jacksonville visitors Sunday.

Calton Dalton and family, W. S. Miskell and family, of Jacksonville spent Sunday with Green Dalton and family.

The venerable J. M. Rees of Providence spent Wednesday afternoon with his granddaughter, Mrs. Elwin Hull and family before they leave for California.

The Ladies Guild of the Presbyterian church will meet Tuesday at the home of Mrs. Sam Buck.

Mr. and Mrs. George Bailey of Ashland came to Virginia in their auto Sunday morning and spent the day at the home of Arthur Hiles.

J. C. Davis and family spent Sunday in Springfield.

Mr. and Mrs. Wm. Hall of Waverly and sister, Mrs. Gay Brooks of Mexico, Mo., were week end guests of relatives here and in Chandlerville.

Herbert Rodgers who is employed at the Hiles Ice Co., fell while delivering ice this morning and was taken to the office of Dr. W. R. Blackburn who found him to be suffering from a light paralytic stroke.

Mr. Alfred Shaffer and daughter, Miss Nellie were called to Bowen, Ill., Saturday by the death of a relative.

J. J. Noger purchased a new 7 passenger Studebaker auto this week.

Mr. and Mrs. Alfred Schaffer received the sad intelligence of the death of their grandson, Allen McArmally, the son of Rev. and Mrs. Frank McArmally of Bowen, Ill. Mr. McArmally and son were on the way to conduct the funeral of a parishioner when the auto in which they were riding turned over killing the 12 year old son and severely injuring the father. The extent of Mr. McArmally's injuries is not definitely known. He is at present in Keokuk, Iowa. The funeral services over the remains of the son were held at Bowen Monday afternoon. Interment at that place.

Howard Mullen is off duty at the Mann Hotel this week an account of illness.

## —CONCORD—

Mrs. Rebecca Hatfield has been ailing for over a week but was reported better on Sunday.

Miss Eva Abernathy was taken seriously ill recently but her condition was much better at last accounts.

J. E. Whorton has sold one of his farms to A. J. Wheeler of White Hall, and will give possession March 1st, 1918.

The Misses Dennis, of Versailles, visited Miss Ethyl Plank over Sunday.

Lloyd Morris has returned to his home in Arenzville after a visit of five weeks in the Pleasant View neighborhood.

Lucille Bowe is visiting in Versailles.

Sam Brockhouse and family visited at the home of Chas. Baker in Scott county on Sunday. Mrs. Cox, mother of Mrs. Baker and Mrs. Brockhouse, was one of the number and remained for a visit at the Baker home.

J. E. Whorton was in White Hall on business the last part of the week.

Luther Brockhouse sold a \$62 load of corn to Henry Perbix at \$2 a bushel. He says he just wanted to see what it meant to sell \$2 corn.

Lester McDannald and family of Scott Co., were visiting at the home of Thomas McDannald in South Concord on Sunday.

## MORGAN

Wheat all in the shock. Oats being harvested. The showers we are having make the corn look well.

Charles H. Taylor was a Jacksonville visitor last Thursday.

Miss Noda Coulson returned home Sunday after a few days visit with Miss Elsie Lyon near Winchester.

Mrs. Bell Roberts returned to her home in Beardstown Sunday. She was called here by the serious illness of her father, Mr. Stone, who is spending the summer with his son, T. H. Stone. He is more than ninety years old and his advanced age makes his recovery quite doubtful.

Mr. and Mrs. Clyde Williams and son Charles and daughter Loraine were Jacksonville visitors last Wednesday.

Mr. and Mrs. Arthur Lovekamp entertained relatives from Arenzville last Tuesday.

Rev. Hadaway of Chapin was calling on friends in this vicinity last Tuesday.

## PROJECT TO RELIEVE TRAFFIC CONGESTION

Building of Canal Lateral to the Rhone River Recommended at Conference in Lyons—Scheme Also Comprises Irrigation of Certain Lands.

Lyons, France, July.—(Correspondence).—Navigation of the river Rhone and the proposed canal lateral to the Rhone with electricity as the motive power was the subject of discussion by representatives of the eleven departments of France who just met here.

The conference recommended that work on the new canal be commenced without waiting for the end of hostilities. The resolution also asks that, in all concessions for the utilization of the water power of the upper Rhone, sufficient electric current be reserved to furnish power for the navigation of the Rhone and the canal.

The delegates were agreed that the early realization of the project will help largely to relieve the congestion of traffic and decrease fuel requirements. The project also comprises the irrigation of land needing it between Lyons and Marseilles. This is a part of the great canal project prepared in 1878 by M. de Freycinet, recently minister of state in Aristide Briand's cabinet.

## FORTUNES IN WAR SHIPPING BUSINESS

Kobe, Japan, July.—A striking example of the Japanese fortunes made in the war shipping business is found in the recent decision of the Chuyetsu Steamship company to declare a dividend of 2,000 per cent. One of the steamers of this company recently was sunk by the Germans, off the Spanish coast. Thereupon the officials decided, rather than run further risks, to take advantage of the high price and dispose of its remaining vessels.

At liquidation each shareholder who had originally paid but \$2.50 for one share of stock received \$500 per share.

A number of other Japanese shipowners, preferring to profit by the present extraordinary demand, are selling their steamers and placing their capital in some other business. One of Kobe's new shipping millionaires recently sold a few steamers at a profit of nearly \$3,000,000.

## PROJECT TO AID POOR OF MEXICO

Mexico City, July.—A project recently was submitted to Rafael Nieto, under secretary of finance, which evolved a new idea for the financial betterment of the poorer agricultural classes of Mexico. Over the employees of the department of finance it is known as "the Noah's Ark bill." It proposes that the government either give to each agricultural family or to aid each agricultural family to buy two pigs, two goats, two rabbits, a hen and a rooster, a duck and a drake and pairs of other farmyard animals. The project asserts that with but little care and expense the natural increase of these families would speedily drive the wolf from the doors of the Mexican agriculturists.

## GOAT FLESH SOLD AS MUTTON.

Liverpool, July.—Goat flesh is being sold as mutton in considerable quantities among the poorer classes in Liverpool. With the sheep brought over from Ireland there is always a certain proportion of goats, and those carcasses are now sold on the wholesale markets without distinction from those of the sheep and lambs. According to the local health authorities there is no particular objection to this practice, as in the matter of taste and nutritive quality there is said to be very little difference between the two animals.

## CRIME IN ENGLAND DECREASES.

London, July.—England continues to grow more temperate and more law-abiding according to the criminal statistics for the year just issued. As compared with the year before the year, there has been a very large diminution in the volume of crime. In the upper courts, the number of persons tried has decreased from 12,500 to 6,000; in the lower courts the decreases is from 730,000 to 550,000. The number of persons charged with drunkenness has dropped from 204,000 to 150,000.

## RESTAURANT STEW PROVED FATAL

Amsterdam, July.—A Prague newspaper relates the sad story of an artist there who found it impossible to kill himself with poison or a rope, and was only able to shuffle off this mortal coil finally by eating a restaurant stew. The newspaper's account of the tragedy is as follows:

"Tired of life at fifty-five, the artist procured a portion of a violent poison and tried to poison himself with it. In vain he awaited a fatal effect, and on the following day had the remains of the vital analyzed. It was a 'war substitute' poison. He then procured a rope and hanged himself, but the rope was made of paper pulp, and it broke. The two-fold failure of his attempt at suicide the man regarded as a sign of fate, and a fresh joy in life inspired him. Proceeding to a certain well known restaurant, he ordered and consumed an alleged meat stew. It was a 'war substitute' stew, and two hours later he was dead."

## WOMAN REACHES GREAT AGE.

Copenhagen, July.—The takers of the census in the occupied districts in Russian Poland have found in a Courland village a Lettish woman 119 years old, says a Berlin dispatch. Church records attest her age. She was fourteen years old when Napoleon's "grand army" marched into Russia.

## PROMINENT MUSSELMAN INJURED

London, July.—The German air raiders have scored their first East Indian civilian victim in Peer Mohammed, a prominent Musselman from the Punjab who was in London on a war mission during the last raid. He is now lying in a critical condition in an East End hospital, having been hit by a splinter from a bursting air torpedo.

MISS AYERS TO BE  
A JULY BRIDE

Jacksonville Young Woman's Marriage to Eastern Hastened by War Preparations.

The announcement has just been made by Mr. and Mrs. Walter Ayers of the engagement of their daughter, Miss Margaret Ayers, to Louis F. Eaton of Brockton, Mass.

The wedding will take place at the Ayers home, 906 West State street, Thursday evening, July 26. The announcement came as something of a surprise to the Jacksonville friends of Miss Ayers, who knew of the engagement but expected the wedding to take place in the autumn.

It seems that the same reason that has changed so many marriage plans this year applied to Miss Ayers and Mr. Eaton, for Mr. Eaton is in the U. S. navy service. He is connected with the radio division and the fact that it was possible for him to get away from his post of duty only at the present time accounts for the fact that the wedding is to be in July instead of the late fall.

Miss Ayers belongs to one of the best known Jacksonville families and the same statement applied to Mr. Eaton with reference to Brockton. The young people became friends while they were in the academy, Miss Ayers at Wellesley and Mr. Eaton at Amherst.

A telegram received last night by Miller Weir, president of the local exemption board of Morgan county, stated that the net quota to be furnished by this county is 121.

The telegram also stated that complete information as to conduct of board affairs will follow. The allotment of 121 is somewhat smaller than anticipated, as 175 had previously been the estimate. However, the county is given credit for all men enlisted in Co. B and the various branches of service, and this fact has served to bring down the quota.

Telegraphic despatches indicate the unusual situation at Danville, where the number of enlisted men exceeded the quota and so no more soldiers will be taken from that city at the present time.

Full instructions are awaited from Washington, but the local board will undoubtedly within a short time send notification to twice the number of men to be furnished—that is, 242. After the men have been notified they will have three days within which to file any claim for exemption and then seven days for the filing of proof in support of their claims.

Meanwhile the board will designate days and hours for physical examination and it is understood that all men summoned will be examined in three days' time. Dr. C. E. Black has made arrangements in accordance with this plan. Any man who is rejected by Dr. Black will be re-examined by another physician.

When the desired number of 121 has been secured their names will be sent to the adjutant general's office in Springfield. Any appeal cases will go before the district board there. Meanwhile it is very probable that the 121 men will be mobilized here to await instructions from the federal authorities. Although the full instructions have not been received, it is quite apparent that the local boards are to become a permanent part of the military system of the country, and the government will thus have an efficient organized force for certain work in connection with the army.

**SOLDIER TO VISIT HOME FOLKS.** Jay Rodgers, now a soldier in Co. B, is expected here today for a brief visit. While definite announcement has not been made, it is understood that Co. B will soon be taken from the state work and mobilized with other troops at Ft. Sam Houston, Tex.

The work of guarding bridges of the country is not to be stopped and it is understood that the railroads are now preparing to have employees with police powers do this work, this action being by agreement with the government.

**A LOCAL RAIN.** The rain which fell Sunday night was remarkably local. The downpour was heavy in Jacksonville and at points east. A. A. Curry, who was in town Monday, reported a good rain in his locality but found the roads were not at all muddy between his home place and Jacksonville. North and west from Jacksonville Sunday night there was practically no rain while motorists who drove from Springfield to Jacksonville between 9 and 12 o'clock faced the rain all the way.

**A NOTED S. S. WORKER.** Rev. James L. Garver, connected with the International Sunday school work has been in the city a few days associated with C. L. DePew in looking over the field. The gentleman was formerly pastor of the Christian church of Seattle and later president of Wm. Woods College of Fulton, Mo. The institution was founded by Mr. Woods who died recently leaving it half a million.

**REAL ESTATE TRANSFERS.** Enola Ward to Gates Strawn, 1-144 interest in lands in 32-16-8, \$1,286.

Manuel DeGoveia to J. G. DeGoveia, pt. northeast quarter southeast quarter, 10-15-10, \$1.

Eleanor Thompson to W. T. Smith west half northwest quarter northeast quarter 10-15-10, \$1.

**DRAFT LIST COMPLETE.** The draft list which appears elsewhere in the Journal this morning completes the entire list. The first installment of names was printed Saturday, the second Sunday and the third and last this morning.

## MATRIMONIAL

Brown-Arnold.

James T. Brown of this city and Miss Marie Arnold, of Washington, D. C., were married Thursday, July 26, in Baltimore, Md., by the Rev. G. J. Garnett of Mt. Joy Baptist church.

Mr. Brown is the son of Mr. and Mrs. James H. Brown of Anna street.

After the first of August the young people expect to make this city their home.

**Armstrong-Dobson.** A marriage which will come with some surprise to Jacksonville friends took place Monday forenoon at 9 o'clock in the Christian church parsonage at Virginia, when Miss Vida Viola Dobson, daughter of Mrs. Bell Dobson, 436 South East street, this city, became the bride of Sergeant S. A. Armstrong, of Company B, 5th regiment I. N. G.

The ceremony was said by the Rev. C. E. French, pastor of the Virginia church and the young people left immediately for a wedding trip of several days' duration. They will be at home to friends in Jacksonville after August 1, residing on South East street. Both young people are well known in this city and both will receive the sincere congratulations of the entire community.

The groom is a son of S. R. Armstrong of 608 South Prairie street, and his education was received in the city schools and in Jacksonville high school, where he attained distinction as an athlete of ability. He is a young man of character and industry and since joining the national guard has received steady advancement. Recently he has been with the section of the company which was stationed at Pearl.

Mrs. Armstrong was graduated from the high school with the class of 1915 and returned for post-graduate studies the following year. Her circle of acquaintances is a wide one for she won friends easily and is well known for her genial disposition and winning demeanor. Numberless good wishes will be here on beginning the days of married life.

**Social Events.** An Afternoon Company.

Sunday Mr. and Mrs. Jerry Flynn most pleasantly entertained a party of young people at the Flynn home in Buckhorn. The day was spent socially and a good time was enjoyed by all while a bountiful dinner was much enjoyed by every one.

Among those present there were Misses Cella Lang, Agnes Shields and Nellie Laws.

**Picnic Outing at Nichols Park.** A dozen young people motored to Nichols park Monday evening and partook of a picnic supper, at which William Deutsch and Miss Helen Reaugh were the entertainers. Miss Mary Black then invited the company to her home north of the city and the later evening hours were spent with much pleasure there.

**A WORD OF WARNING.** A case which carries its note of warning and which has thus far baffled the police was reported a day or two since. A Jacksonville young lady was walking on West State street near Church street one morning between 8 and 9 o'clock, when she was accosted by a burly negro who asked her to read a note. He stated it had been handed to him and that he could not read. After the first few lines, the young woman found that it was really a threatening letter which had been placed in her hands. She was speechless and simply dropped the letter and hurried away. She had gone only a block or two down a nearby street when the fright made her so weak that she stopped at a house and told her story and the police were communicated with. The young woman, however, could not give an accurate description of the man. Several suspects have been surveilled but thus far the guilty man has not been located.

**RESIDENCE CHANGE.** H. K. Chenoweth and family are now living at their new home, 1188 West College avenue, purchased some months ago. Dr. Applebee, from whom the house was purchased, is moving into his new home on West College avenue a block further west.

**Taking Cathartics Every Day for Weeks Don't Cure Stomach Trouble.**

They do not eliminate the poisonous bile accretions from the system, so declares a leading Chicago stomach specialist. Often gas, indigestion, ulcers of the stomach and intestines, auto intoxication, yellow jaundice, appendicitis and other dangerous ailments are the consequences. May's Wonderful Remedy is the ideal prescription for stomach, liver and intestinal ailments. It has restored millions. One dose will prove that it will help you. May's Wonderful Remedy is for sale by Coover and Shreve East Side Drug Store and druggists everywhere.—Adv.

**WOMEN TOO AMBITIOUS.** Excessive ambition leads all sorts of women to exert themselves beyond their strength. The girl striving for honors in school, the busy housewife, the shop-girl, the society climber or leader, all overtax their natural powers of endurance. Then come nervous troubles, backaches, headaches, frequently organic troubles, which reduce them almost to despair.

Women suffering thus should first recognize the necessity of putting on the brakes and slowing down. Besides this, to remedy the mischief already done to their health, the best reliance is upon that famous and standard medicine for women's ailments, Lydia E. Pinkham's Vegetable Compound.—Adv.

COUNCIL HAD  
ROUTINE BUSINESS

Monday Morning Session at City Hall Was Brief—More Sidewalk Ordinances Considered.

Merely routine business occupied the attention of the city council at the session of Monday morning. A letter was read from A. C. Mendonso of Springfield, addressed to Commissioner Cox, in which he authorized the necessary water connection at his property on South Prairie street, stating that he would pay the plumber's bill when forwarded. Ordinances providing for sidewalks where needed on South Fayette street, East College avenue and Howe street were given a second reading. Mr. Martin reported that one of the fire horses is out of commission on account of rheumatism and gives indication that he will not be in condition to go into service again.

Mr. Vasconcellos mentioned that the street railway company and some contractors were not using enough care as they quite frequently pile materials in front of hydrants. In case of fire where it was necessary to use these hydrants the materials would interfere with the hose connection. Ordinances were introduced providing for sidewalks on South Main street and West State street and these were laid over under the rules. The ordinance repealing the ordinance providing for sidewalks on Hardin avenue was passed.

Mr. James, who lives at the corner of West College street and South Sandy street, appeared before the council and stated that he is willing to put down a walk along the side of his property as directed by the council, but requested that the LaCrosse Lumber Co. be prevented from piling building materials along their shed on the opposite side of the street. This is an unlawful practice and on motion of Mr. Vasconcellos the city attorney was directed to write a letter to the company calling their attention to the violation in question.

The council after discussing some other matters informally adjourned.

**WALTER WHEELER SCALDS ARM.** Walter Wheeler of Sinclair had his right arm badly scalded by water from the radiator of his automobile Monday morning. He came to this city where the injury was attended by Dr. A. M. King. The accident occurred in the vicinity of Winchester. Mr. Wheeler left his home in Sinclair to drive to Winchester. When near that city his engine became overheated and he unscrewed the cap on the radiator to put in some water. When the cap was released the boiling water spurted out on Wheeler's right arm badly scalding it from the wrist to the elbow. The flesh was literally cooked and the injury proved very painful and probably will cause Mr. Wheeler trouble for several weeks.

## Krumbles

Whole Wheat. More  
Nutritious than Bread

KRUMBLES is the first wheat food that gives you all the delicious flavor of the wheat—a sweetness that grows richer and richer the more you chew it.

KRUMBLES is the whole of the wheat with all of the protein, the phosphates, the mineral salts and bran—things the doctors say all growing children need.

## RED CROSS COMMISSION WILL VISIT ROUMANIA

This is Third Since War Council Was Organized—Miss Katherine Olmsted One of the Nurses

The National Red Cross society has issued the following story about the sending of a commission to Roumania. Jacksonville people will find some special interest in this announcement because Miss Katherine Olmsted of Milwaukee, formerly of this city will be one of the nurses in the medical unit. The story follows:

As a further step in its program for basing American relief work abroad on accurate surveys of conditions, the Red Cross War Council, of which Henry P. Davidson is chairman, announces the dispatch of a Red Cross Commission to Roumania.

This is the third Red Cross Commission to be sent to Europe since the organization of the War Council, to make first-hand investigations in belligerent countries. One commission, headed by Major Grayson M. P. Murphy, is already at work in France; a second, under the leadership of Dr. Frank Billings, will arrive in a few days in Russia.

The Commission to Roumania, which is headed by Henry Watkins Anderson, a prominent lawyer of Richmond, Virginia, will undertake at once, in addition to its investigation of sanitary and health conditions, actual relief work among the Roumanian refugees. To do this work, a Red Cross medical unit of twelve doctors and twelve nurses, accompanies the Commission.

Quantities of medical supplies, serums, vaccines, and foodstuffs, urgently needed in Roumania, are being sent with the Commission by the War Council. A special emergency appropriation of \$200,000 has been voted for Roumanian relief.

"For the Commission to Roumania, as for those sent to France and Russia, the Red Cross War Council has been unusually fortunate in obtaining the service of some of the leading health and sanitary authorities of the country," said Mr. Davidson today in announcing the appointment. "It is one of the finest tributes to the patriotism of the men—doctors, lawyers, engineers, and business men—who have been called upon to undertake, at very great personal inconvenience, and often with no inconsiderable risk, these Red Cross missions in distant countries, that they have responded without hesitation. No finer record will be written in this war than of these men who have gone forth under the Red Cross to carry aid and encouragement to those countries which for three years have been feeling the heavy brunt of war."

In addition to Mr. Anderson, the chairman, the members of the Commission to Roumania, as announced by Mr. Davidson, are:

Arthur Graham Glasgow, an engineer of Washington, D. C. Mr. Glasgow is one of the leaders of his profession, and has lived for more than twelve years where he maintained extensive offices.

Dr. Francis W. Peabody of Boston, who represented the Rockefeller foundation in its medical investigations in China.

Bernard Flexner of Chicago, a lawyer who has taken a prominent part in many sociological movements in the middle west.

Dr. H. Gideon Wells, of Chicago, Professor of Pathology in the University of Chicago.

Dr. Roger Griswold Perkins, of Cleveland, Professor of Hygiene, Western Reserve University.

Dr. Robert C. Bryan, of Richmond, Virginia, who is one of the leading surgeons of the south.

Doctors and nurses of the Medical Unit accompanying the Commission are:

Dr. W. D. Kirkpatrick, Bellingham, Washington; Dr. Richard Penn, Fort Loudon, Pa.; Dr. D. J. McCarthy, Davenport, Iowa; Dr. Geo. V. Massenberg, Macon, Ga.; Dr. R. H. Rulison, Syracuse, N. Y.; Dr. B. C. Hamilton, Syracuse, N. Y.; Dr. Benjamin Earl LeMaster, Macon, Ill.; Dr. Louis H. Limauro, Lynn, Mass.; Dr. E. F. Hind, Bound Brook, N. J.; Dr. W. T. Lowe, Pine Bluff, Arkansas; Dr. Joseph P. H. Cruet, Chicago, Ill.; Dr. Geo. Duro Guca, Chicago, Ill.; Dr. Wm. J. Kuera, New Prague, Minn.

Florence Patterson, head nurse, Washington, D. C.; Rachel C. Torrance, New York City, N. Y.; Katherine Olmsted, Milwaukee, Wis.; Alma Forester, Chicago, Ill.; Alice Gilborne, Chicago, Ill.; and Anna T. Pederson, New York City, N. Y.

**BIDS FOR COAL.**  
 Bids are hereby asked for supplying the city light plant and pumping station with coal for the contract year, which will begin August 1, 1917. Bids are desired for the light plant on mine run, No. 4 and 5 washed, egg; 1 1/4 inch screenings; for pumping station mine run and steam lump.

The council reserves the right to reject any and all bids, which will be received until 10 a. m. Tuesday, July 31st.

R. L. Pyatt, City Clerk.

## WISCONSIN SHOOTING TOURNEY

Wausau, Wis., July 23.—Following yesterday's challenge match between J. John of Iowa and A. H. Winkler, the regular program of the annual championship tournament of the Wisconsin State Trap-Shooting association was opened today on the grounds of the Wausau Gun Club. This is the eighteenth annual tournament of the Wisconsin association and judging from the high class of the participants and the perfection of the local arrangements it will go on record as the most successful event in the history of the association.

You cannot enjoy a good meal if you have indigestion. Mi-o-na stomach tablets are guaranteed by Coover & Shreve to relieve the worst case of stomach trouble.

## S. S. CONVENTION AT SHILOH CHURCH

Program Carried Out was One of Interest and Profit—Next Convention at Concord August 29 and 30.

Literberry, Illinois, July 23.—According to previous arrangements the Sunday school convention was held at Shiloh Sunday afternoon with the following program:  
 Song, Onward Christian Soldiers.  
 Scripture reading, the 46th Psalm—D. K. McCarty.  
 Prayer—Arthur Swain.  
 Song, Working, Watching, Praying.

Address—Carl Robinson, who said in part: "What do we live for, any more? Is it for pleasure, wealth, honor? If so, we are on the wrong road. We should live to grow. We should commence, turn around, start, go forward, for God. Grow in good deeds, helpful influence, lifting up others to a better life." Mr. Robinson gave us the picture of a Christian home, where the Bible is the daily guide, and the family altar the beginning and closing of each day. Nothing else is of such vital importance as the Christ life in the home.

Song, Work for Jesus.

Address—Carl Weber, who said in part: "We must have material, boys and girls, and next a good teacher, not a hit or miss teacher, but an 'every Sunday' teacher and a 'through the week' teacher if necessary. The teacher must love her class, be consecrated, draw the pupils to her by that inward, heart influence, the 'you' in her; that is, if 'you' will be there, I'll come to Sunday school."

We cannot tell you all the good things these two "Carls" told us. One should hear them to get the full value of their words.

Address, The County Work—Wm. Crum. This talk was full of earnest enthusiasm, closing with a hearty invitation for all to attend the coming county convention at Concord the 29th and 30th of August.

The singing at this precinct convention was by the school and was good, more sociable and neighborly than solos, duets or quartettes.

Mr. Wm. Lindsay, the superintendent, was master of ceremonies and filled the position all right.

## BLUFFS MINISTER TO ATTEND CONVENTION

Rev. and Mrs. P. A. Sorensen Start for Lutheran Meeting at Burlington—Army Minister Visits Home Folks

Bluffs, July 23.—Rev. and Mrs. A. P. Sorensen will leave Monday for Burlington, Ia. en route to attend the organization of the synodical and women's foreign missionary society of the Evangelical Lutheran church which will convene in that city Wednesday. They will also visit relatives for a time before returning to their home.

Misses Zeta Merris, Pearl Rockwood and Amy Martin returned Saturday from Normal where they have been taking a special course in teachers' training. Miss Amy Martin will visit friends here before returning to her home in Versailles.

Miss Zoe Fitzpatrick is visiting friends in Kansas City, Kas.

Mrs. E. G. Thomas and daughter Miss Lelia are business visitors in St. Elmo this week.

Mr. and Mrs. Fred Clark of Venice arrived Saturday evening to settle the estate of the former's father, S. R. Clark.

Miss Bess Sawyers of Decatur is visiting relatives in town.

Mrs. T. J. Perry of Mt. Sterling is visiting her son, R. Perry and family.

Miss Lucie Parker entertained about forty of her friends at a party and dance at her home south of town Friday evening.

Earl Brackett and family have moved their household goods to Exeter.

George Summers of Kansas City came home for a few days visit with his parents, Mr. and Mrs. Henry Summers. He recently enlisted in the U. S. army and will leave Aug. 5 for Ft. Sill, Okla.

## CHAUTAUQUA SUBSCRIBER'S TICKETS NOW READY

Get your tickets now.

Last year subscriber's tickets went to a premium. Many who had them for sale sold out long before the assembly opened.

In 1915 and 1916 one thousand more subscriber's tickets were issued than will be issued this year.

The management will sell to subscribers adult's season tickets at \$1.50 and child's season tickets at \$1.00 until the subscribers' allotment is exhausted, and after that will sell no adult's season tickets for less than \$2.00. Subscribers should secure their tickets of the Secretary and not from other subscribers.

Get your tickets now. Reserve your tents now.

A. C. Rice, Secretary.

## BIG LINE MEET AT DETROIT

Detroit, Mich., July 23.—Quartered at the beautiful racing plant of the Detroit Driving Club are the trotters and pacers who are to furnish the sport that marks the second link of the Grand Circuit, which is scheduled to open this afternoon. The week's program here is a splendid one, made up of nearly a score of events, but all the talk is of the blue-ribbon fixture, the Merchants and Manufacturers' \$10,000 purse for 2:08 trotters. This event will be raced on Wednesday.

Mrs. Della Cumming who has been visiting her brothers, G. E. and Walter Houston of Joy Prairie has left for her home in Waukegan, Washington.

## CRITICISE GERMANY'S ACTS AGAINST NORWAY

Royal Mail Boats Outside Barred Zone Captured by German U-Boats—More Than 400 Vessels Destroyed—Protests to Berlin Unheeded.

Christiana, Norway, June 14.—(Correspondence)—The latest German acts against Norway are being criticized in the press and condemned by the legislature as showing the alleged failure of the Norwegian government to uphold the self-respect of the nation.

Royal mail boats between Denmark and Norway, outside of the German "barred zone" with cargo of killed cattle exclusively for use in Norway are captured by German U-boats, brought to German ports and no satisfactory explanation or satisfaction given.

A Norwegian steamer, the "Thorun" in coast traffic, chartered by the Norwegian government itself with cargo of hay to relieve the fodder famine in the northern part of the country was stopped by a German U-boat inside the 3-mile line, that means in Norwegian waters; the Norwegian flag was lowered and the German flag was run up, the German U-boat chief declared the steamer a German prize because of lack of special clearing papers. A Norwegian torpedo boat arrived, the Norwegian captain declared that as the steamer was not liable to be seized by German U-boats, ordered the Norwegian flag flown again and the German lowered. After some argument, however, he yielded to the German view and allowed the steamer to be taken as prize to German port and the Norwegian flag for the second time displaced by the German.

No Prospect of Ship's Release.

This happened May 16 and, upon an interpolation in the legislature regarding this affair which has turned the whole press and public opinion more anti-German than ever, Minister of Foreign Affairs Ihlen answered that the government's protest in Berlin and the assurance of the steamer being a government chartered boat had only met unwillingness to straighten out the affair and give a satisfactory excuse. On the contrary there was no prospect of the ship being released in the near future as the case would be tried before a prize court. More humiliating was the announcement that the Norwegian crew now would be brought before German court-martial because they, according to orders from a Norwegian naval officer in Norwegian waters, had hoisted the Norwegian flag.

For the first time since the war broke out a friction with one of the belligerent nations has been discussed openly in the legislature. In other cases the minister of foreign affairs kept everything secret and been unwilling to let the public know what steps the Norwegian government has taken to protect the rights of their citizens against the now numberless encroachments from German side.

All the leading politicians, in very strong terms, condemned this last humiliation from the German government.

The press requested that the Norwegian crew at once be given their liberty and sent home if the Thorun was not released, asserting that the crew acted according to Norwegian law and should not be punished in Germany.

Hope Germany Will Show Justice.

The only paper that tried to belittle the affair was the Socialdemokrat, which expressed the hope that Germany "will show justice to a small nation not able and not willing to sustain its rights by power."

Only a few days before this, German U-boats in the Arctic Ocean, off the Norwegian coast and outside the "danger zone" attacked small motor fishing boats, fishing for the Germans and therefore provided with German outfit, sank some of them in the open sea with small chances for the crews to be saved, and in others destroyed the motors and everything on board, seized what they needed of provisions, instruments and even money.

Nobody understands what benefit these acts can be to the great war—to destroy people working for the benefit of Germany itself. The foreign minister has sent some messages and protests to Berlin without obtaining a satisfactory explanation.

And in these very fishing districts German agents are buying all the Norwegian fish they can according to the agreement with the government. German boats sail safely inside the territorial line guided by Norwegian pilots with their cargoes of fish and provisions for Germany.

Germans Were Acquitted.

At the same time from all over Norway came reports of arrests of alleged German spies who are sent across the Norwegian border. Norwegian citizens are being convicted by the court in Bergen as paid spies for the German government and sentenced to imprisonment for not more than six months, although it is proved that their information to the Germans regarding the sailings of Norwegian ships has caused these vessels to be torpedoed and some of the crews to be killed. In these cases the court acted according to the law. The whole nation was struck aghast that this crime against the country should not be punished more severely. The Germans involved were acquitted.

Of the Norwegians involved, two were captains on route steamers between Newcastle and Bergen, who had been paid to report to the German espionage control in Bergen everything they saw in England and on their way between England and Norway.

Nation Felt Dishonored.

The espionage control was established, it is charged, by the Antarctic explorer, Lieutenant Filchner, who, before the war, had been very kindly received everywhere in Norway, had been the guest of the Geographical Society, and who now used his knowledge to plot against this country, draw Norwegian men in his net and make them traitors to their own country. The whole press condemned Filchner. The whole na-

tion felt ashamed and dishonored by this case, remembering the way the Swedish Baron von Rosen, with his anthrax and glanders bacilli in sugar was treated by Norwegian authorities and the way a German proved spy, Baumeister, also was allowed peacefully to go back to Germany.

In the legislature it was strongly demanded that the police authorities and the department of justice, hereafter, should see that the nation was ridden of such German pests.

And in spite of all this, in spite of the nearly unanimous demand to stop export of anything the country needs for its own citizens, the fish export to Germany still is going on and the export of home made farm products and canned milk is not stopped, although the prospects for the public in the coming fall and winter are worse than ever.

No Excuse for Violations.

Why the government, which week after week suffers humiliations at the hands of the Germans, has not stopped all export on Germany until satisfaction is given, is regarded here as a mystery. A great many anti-socialists agree with the socialists who criticize the government for having spent \$100,000,000 in three years on the neutrality guard. The socialists say it would have been better to use this money to relieve the high cost of living, asserting that the naval and army defense is in too poor a condition to be of any use and that the money is wasted. Other citizens who believe in armament for the defense of the country now ask, with the socialists, what the country has obtained for the \$100,000,000. They indignantly declare that more than 400 Norwegian vessels have been destroyed, with the loss of 500 sailors, by the acts of a so-called "friendly" nation, that no excuse nor satisfaction has been given for any of the numerous violations of the international law; that Norwegian sailors have been murdered in the life boats; money and private trinkets on board in Norwegian ships stolen by German officers and taken to Germany; Norwegian government vessels in coast traffic in Norwegian waters seized and taken as prizes to German ports; and that not a shot has been fired from a Norwegian gun to defend Norwegian rights, not a Norwegian boat nor a Norwegian sailor has been allowed a fight for his life. Meantime, they add, the country which has spent \$100,000,000 is threatened by famine of food, fuel during the coming winter.

Is Worse Than War.

Such criticism as the foregoing can be read every day in the most prominent papers of the country and heard wherever two Norwegians speak of the situation, but the leading men in the cabinet seem not to listen to public opinion or to be unwilling to sustain the national pride. The newspaper Tidens Tegn, in an editorial the other day, criticizing the political line Norway's government has followed, said:

"There is something worse than war and its disasters and that is when a nation loses its self-respect—the Norwegian nation these days is in danger of that."

Martin Rennon at Nichols Park Aug. 9th.

MT. ZION LADIES AID PLANS ENTERTAINMENT

The Ladies Aid society of Mt. Zion church will give a picnic supper and parcel post sale Tuesday evening, August 14. The place of holding will be announced later.

## ELECTRICIAN HAS MADE LUCKY FIND

Ed. Tuman Declares Tanlac Proved Big Boon in His Case

Ed Tuman, well known local electrician of 221 1/2 north Sandy street, is an enthusiastic Tanlac booster. His statement made on June 19 follows:

"For several months I've suffered with stomach trouble and my system generally has been all run down. I was very nervous and found it almost impossible to sleep at night. None of the food I ate agreed with me nor digested properly. I always felt tired and worn out of mornings, seeming to be entirely without ambition."

"I knew I was in need of a good spring tonic and as Tanlac was so highly recommended by local people I decided to try it. Well, that certainly was a wise move on my part for I feel better most every way now. Everything I eat agrees with me and digests perfectly. My nerves have been strengthened, too, and I sleep fine at night. I don't have that tired, worn out feeling any more, either. Yes sir, I'm glad to let others know what Tanlac has done for me and I hope they will give the new medicine a trial."

Tanlac is now being introduced in Jacksonville at the Coover-Shreve Drug Co., East Side store, where a special Tanlac representative is explaining the new medicine to the public daily. Tanlac also may be obtained at the West Side store of the Coover-Shreve Co. It is sold in Waverly at the Wyle Drug Co.; in New Berlin at the New Berlin Drug Co.; in Ashland at H. O. Brownback's; in Versailles at A. O. Brownback's; in Chapin at F. P. McKinney's; in Roadhouse at W. D. Berry's; in White Hall at the City Drug store; in Bluffs at F. T. Curtis'; and in Pittsfield at J. H. Barber & Co.; in Loami at L. N. Vanderen's; in Diverson at E. G. Haug's; in Manchester at C. D. Chapman's and in Winchester at the City drug store.—Adv.

IN THIRTEEN INNINGS**

MARANVILLE SCORES RUN THAT  
WINS FOR BRAVES.

Boston Shortstop Takes a Chance on  
Kelly's Fly in Short Left Field—  
Cincinnati Makes it Four Straight  
From Brooklyn.

Boston, July 23.—With two out  
and the bases full in the last of the  
thirteenth inning today Maranville  
took a chance on Kelly's fly out to  
Mann in short left field and scored  
the run that won for Boston over  
Chicago 3 to 2. It was the sixth  
consecutive Boston victory over  
Mitchell's team. Ed Walsh, former-  
ly of the Chicago Americans, joined  
Boston today.

Cincinnati, 5; Brooklyn, 2.  
Brooklyn, July 23.—Cincinnati  
made it four straight from Brook-  
lyn, outplaying the National League  
champions at every point today and  
winning 5 to 2. Groh, Kopf and  
Roush made 9 of the visitors' eleven  
hits and scored all the runs. Toney  
kept the Brooklyn hits well scatter-  
ed except in the fourth when a pass,  
a steal and two singles prevented a  
shutout.

Women! It's Cheap!  
Use Lemon Juice  
and Make Lotion.

To keep your skin and complexion  
naturally soft, white and clear at all  
times you simply must use a lotion  
or cream every day. But choose the  
one that is best and costs the least.

The juice of two fresh lemons  
strained into a bottle containing  
three ounces of orchard white makes  
a whole quart pint of the most re-  
markable beauty lotion at about the  
cost one must pay for a small jar  
of the ordinary cold creams. Care  
should be taken to strain the lemon  
juice through a fine cloth so no lem-  
on pulp gets in, then this lotion will  
keep fresh for months. Every woman  
knows that lemon juice is used to  
bleach and remove such blemishes  
as freckles, sallowness and tan, and  
is the ideal skin softener and beau-  
tifier.

Just try this lotion! Make up a  
quarter pint of this sweetly fragrant  
cream and massage it into the face,  
neck, arms and hands. It should nat-  
urally help to whiten, soften, fresh-  
en, and bring out the hidden roses  
and beauty of any skin.

Your druggist will sell three  
ounces of orchard white at little cost  
and any grocer will supply the lem-  
ons.—Adv.

Pittsburgh, 1; New York, 0.  
New York, July 23.—Pittsburgh  
nosed out the New York Nationals  
here today by a 1 to 0 score. Cooper  
had the better of Schupp in a pitch-  
er's battle and is only the third  
pitcher to shut out the Giants this  
season. Cooper also sent in the on-  
ly run of the game with a two base  
hit in the eighth inning, scoring W.  
Wagner who also had doubled.

ALEXANDER DEFEATS  
WEAVERS OF SPRINGFIELD  
Alexander defeated the Weavers  
baseball team of Springfield at Alex-  
ander Sunday by a score of 4 to 1.  
The game was called at the end of  
the fifth inning in order to allow  
the visitors to return home before  
the storm, the trip having been  
made by automobile. Richards  
made the only run for the Weavers  
when he reached first on Polman's  
error and stole second, third and  
home. Alexander will play the  
Schaefer Seals of Springfield. The  
game will give a platform dance  
in the park at Alexander Thursday  
night. The score:

MIDDLE STATES TENNIS  
TOURNEY.  
New York, July 23.—All roads  
frequented by tennis followers here-  
abouts led today to the Crescent  
Athletic club courts in Brooklyn,  
where the annual Middle States  
tournament was opened under favor-  
able auspices. In line with similar  
affairs throughout the country the event  
has been designated a patriotic  
tournament, which means that while  
the competitions will be conducted  
under the same conditions surround-  
ing a championship tournament no  
titles will be bestowed.

KNIGHTS OF LITHUANIA.  
New York, July 23.—The Knights  
of Lithuania, a national organiza-  
tion with membership of about 4,000  
young Roman Catholic folk, began  
its fifth annual convention today in  
Brooklyn. The sessions will continue  
until Thursday.

**CHICAGO INCREASES  
LEAD OVER BOSTON**

SOX CAPTURE FINAL GAME OF  
SERIES

Great Fielding Behind Williams is  
One of the Big Factors in Saving  
the Game for Chicago—Felsch  
Gets Four Hits in as Many Times  
at Bat

Chicago, July 23.—Chicago in-  
creased its lead over Boston today  
to four and a half games by winning  
the final game of the series 5 to 3.  
The visitors started their invasion  
of the west half a game in the lead  
but lost ten games, won six and  
tied one. In the series with the lo-  
cals they lost three, won one and  
tied one.

Great fielding behind Williams  
was one of the big factors in saving  
the game for Chicago today.

Eastern Pennsylvania tennis tourna-  
ment opens at Cynwyd, Pa.  
Tri-county tennis tournament  
opens at Pittsburgh.

Wausau, Wis. July.—The eight-  
teenth annual Wisconsin State trap-  
shooters tournament, opening here  
July 22 for a three days shoot, prom-  
ises to out class any previous  
tournament of this organization. In-  
dications point to a record entry of  
amateurs, professionals, and women  
shoots. More than \$1,400 in prizes  
will be awarded.

The Tournament will terminate  
on July 24 when Wisconsin amateur  
marksmen will compete for the posi-  
tion of winner or runner-up, entitling  
entry in the Grand American  
handicap to be held at Chicago, Aug-  
ust 29 to 31.

"PATRIOTIC WEEK" FOR PYTHIANS.  
Chicago, Ill., July 23.—The week  
beginning today has been designated  
as "Patriotic Week" for the Knights  
of Pythias, by direction of Supreme  
Chancellor John J. Brown. Lodges  
of the order throughout the United  
States and Canada have been re-  
quested to make a special effort in  
behalf of recruiting for military ser-  
vice and in aid of the Red Cross  
and other patriotic funds.

CANADIAN FIRE CHIEFS.  
Fort William, Ont., July 23.—A  
large and representative attendance  
marked the opening here today of  
the annual convention of the Cana-  
dian Fire Chiefs' Association. The  
convention sessions will continue  
for several days and will be inter-  
persed with various features of en-  
tertainment for the visiting fire  
chiefs and their families.

**Willard** STORAGE BATTERY  
SERVICE STATION

(Copyright registered, 1917)

# Ready!

In nine cases out of ten, a dead bat-  
tery means a dead car, for the battery  
is the source of ignition in 90% of the  
1917 cars.

If you're one of the nine, when you  
want battery service, you want it  
at once.

And we're always on the job to give  
it to you.

No matter whether you came in to  
have your battery merely tested, or  
completely rebuilt, we're there with  
men and equipment to take care of you.

If your battery needs repairs or re-  
charging we have a rental battery for  
your use whatever make or model of  
car you own.

Willard Service is complete, it's  
always ready.

W. Lafayette Ave., Jacksonville, Ill.

"Country" Mixed Iron Wanted

**MR. AUTO OWNER!**

Why throw your old auto tires away when they are good for  
2500 to 6500 more miles.

My method of taking two old tires and making one good one is  
saving thousands of auto owners from 50 to 75 per cent on their bills.

Send me two old tires and I will make one good tire that you can get from 2500 to  
6500 more miles out of. In sending me tires be sure one has a good rim no matter how  
bad the tread is worn. For the other one that has a good tread no matter what condi-  
tion it is in.

If You Haven't a Tire with a Good Tread I Can Furnish You One

**PRICES FOR DOUBLE TREADING**

SIZE	When you fur- nish both tires	When You Fur- nish one tire	SIZE	When you fur- nish both tires	When You Fur- nish one tire
30 x 3	\$2.25	\$4.00	35 x 4	\$3.25	\$6.25
30 x 3 1/2	2.50	4.25	36 x 4	3.50	6.50
31 x 3 1/2	2.50	4.50	34 x 4 1/2	3.50	6.50
32 x 3 1/2	2.75	4.75	35 x 4 1/2	3.75	7.00
34 x 3 1/2	3.00	5.50	36 x 4 1/2	4.00	7.50
32 x 4	3.00	5.50	37 x 5	4.00	8.00
34 x 4	3.25	6.00			

Where a tire is blowz out an additional charge of 50 cents is made. Patches neces-  
sary in a tire, an added charge of 35 cents for each 10 inch patch.

Tires sent to me should be prepaid as I pay no transportation charges either way.

standard \$2.05 1/2.

## CORN PRICES REACH HIGHEST POINT OF SEASON

Distillers Compete Sharply With  
Other Industries for the Limited  
Offerings. Available — Market  
Closes Nervous at 1 1/2 to 1 3/4  
Cents Up

Chicago, July 23.—Corn prices as-  
cended today to the highest point  
yet this season. Distillers competed  
sharply with other industries for the  
limited offerings available. The  
market closed nervous at a net ad-  
vance of 1/2 to 1 1/4 c, with Sept. 1.63  
and Dec. 1.16 1/2 to 1.17. Wheat  
gained 3/4 to 4c, oats finished un-  
changed to 1/2 lower and provisions  
up 12c to 70c.

Tightening of values in the corn  
market began right at the outset  
and continued without any great  
hindrance through the day. The  
evident scantiness of reserve stocks  
appeared to stimulate urgent de-  
mand for immediate use. At times  
influential houses did considerable  
selling especially whenever prices  
seemed to be perhaps on the verge  
of a radical advance. In all such  
cases, however, the absorptive  
power of the market soon restored  
an upward slant to quotations.  
What gave special emphasis to bull-  
ish sentiment was the fact that  
stocks here amounted to less than  
a tenth of the total a year ago and  
there seemed to be no prospect at  
present of any notable increase.

Wheat rose in accord with the  
improved outlook for the establish-  
ment of a government minimum  
price of \$2.00 a bushel at primary  
centers. Bullish crops from North  
Dakota and Canada likewise re-  
ceived attention and so too did advices  
that millers were free buyers at St.  
Louis. Besides it was said the win-  
ter crop harvest in the central por-  
tion of the belt had been delayed  
by wet weather. Unwelcome rains  
been blown down made the oats  
market strong the greater part of  
the day. Demand subsided tho, af-  
ter prices had ascended to a new  
high level.

Provisions jumped on account of  
advances in corn and hogs short-  
covered nicely especially in pork,  
which soared to the topmost figures  
every known, \$41.30 a barrel for  
delivery this month.
